Commissioner for Patents

NON-RESPONSIVE AMENDMENT

The reply filed on 3/27/06 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Applicant arguments state:

"VI. Claims 19 and 20

Claims 19 and 20 have been added. These claims recite novel and non-obvious limitations. Accordingly, claims 19-20 are believed to be allowable over the prior art."

Claims 19-20 were added and applicant failed to point out patentable novelty; see MPEP 714.04. What are the novel and non-obvious limitations? If there are none, the claims should be cancelled.

See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bruce E. Snow whose telephone number is (571) 272-4759. The examiner can normally be reached on Mon-Thurs.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Corrine McDermott can be reached on (571) 272-4754. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
